

Dear Christian Brothers and Sisters:

In November we celebrated a tremendous milestone achieving our 7th anniversary. This milestone is one that we can look back in thankfulness and appreciation to God who has led us over the years. Of course, not all of us were here when it all began, but we have been privileged to be placed as "trustees" for the church at this point, and we are believing that God will help us to continue being faithful to His call to service. As you may or may not know, we have recently begun this year's fundraising drive for the continued growth and development of our church so we can continue to spread the Word of GOD. It is an important time of the year for the church board and I would like to take a few moments of your time to explain how valuable your help can be to us.

Many people including our Church have experienced challenges in the area of finances during this past year as we have seen our economy take hits that have affected many of our lives in a very direct way. If we were to look at things on the surface, we could become discouraged, yet you and I as Christians know that we serve a God who is in control of the events and happenings of this world. Because of these challenging times I wanted to take a moment to send a letter to the church body to give you some words of encouragement during these very challenging months as America and the world continue to struggle with economic hardship.

We find from Paul's letters we see that "fundraising" is not only legitimate for the church, but it's also a corporate undertaking. Paul says "let everyone" contribute. Once a true need arises, it is part of every believer's responsibility to help. Poverty does not exempt a believer from giving. As revealed by the poor widow who gave her two "insignificant" coins, it's the heart that God is concerned about, not the amount (Mark 12:40-44).

During these hard times Christians are encouraged to increase their faith and stay within GOD's wisdom. Our faith and reliance on God is increased when we are able to give and see God's faithfulness. God wants us to put our total trust in Him and not find our security in money and possessions. God is indeed all-powerful, and He needs nothing from us. However, He helps us grow in spiritual maturity by inviting us to play a part in His plans and purposes through our giving. As Christians, we give not out of guilt or coercion. We give out of a profound sense of wanting to share in the love and blessing God has already bestowed on us. Whether the amount is great or small, our obedience in giving brings forth joy and enlarges our faith.

Let these Words touch your heart and create a desire for you to offer a voluntary donation according to GOD's will to Eglise Evangelique Mont-Des-Oliviers.

In Christ,

Rev. Fritznel Noelzil
